Dear Mr. Smith:

We are writing to request your consent to have the Court seal certain documents you filed in connection with the motion to dissolve the automatic stay of proceedings to collect judgment, specifically, Docket No. 51-2 and Docket No. 51-3. These documents contain incredibly sensitive information, including but not limited to: dates of birth, ID numbers, passport numbers, and the full names and dates of birth of minors, and it was patently improper, and a violation of rule 5.2, to have filed these documents in the first place. Please get back to us by 1:00 this afternoon, as we need to write to the Court as soon as possible regarding this matter.

Regards,

Michael Romero
